Sir:

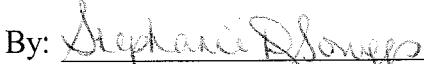

In response to the Notice of Non-Compliant Amendment mailed October 22, 2008, Applicant submits the following to address the non-compliant issues with the previous amendment. As set forth in the Notice, only the claims section is submitted herewith. Upon reviewing the claims section, Applicant discovered claim 4 was incorrectly identified as "Twice Amended" instead of "Amended." In addition, claim 9 now includes "claims 1, 3, or 5" in the bracketed subject matter deleted from the claim, which was inadvertently omitted from the claim entirely in the previous version of the submitted claims. The appropriate corrections have been made.

Applicant cannot identify any other issues with the claims. In particular, the remainder of the claims appear to have been amended in accordance with 37 C.F.R. §1.173(b)(2) and, more specifically, in accordance with the examples provided in MPEP § 1453(V)(D-E). However, Applicant respectfully requests the Examiner to contact the undersigned attorney in the event that further correction is needed to the claims listing.

No fees are believed to be due at this time. Should any fee be required, however, please charge such fee to Hanify & King, P.C. Deposit Account No. 50-4545, Order No. 5222-033-RE.

Respectfully submitted,
